What to Expect on Your Child's First Day

The first day is a big deal for your child! We want to do everything we can to make your child's beginning here as happy as possible. On the first day, be sure to arrive in plenty of time to get your child acquainted. When it's time to leave, try not to slip out when your child isn't looking. Children need to know when you're going, and they want to be able to say goodbye. Don't worry. We'll take it from there!
